Am I eligible?
You may be eligible for the Janssen CarePath Trial Offer if you have been prescribed XARELTO® (rivaroxaban), except if you are taking XARELTO® 10-mg dose.

Other requirements
- Patients enrolled in a Medicare Part D plan are eligible for this free 30-day trial offer, but may not submit a claim for the costs paid by this program to count toward true out-of-pocket (TrOOP) costs.
- Out-of-pocket costs paid by this program may not be submitted as a claim for payment to any third-party payer, pharmaceutical patient assistance foundation, or account such as a Flexible Spending Account (FSA), a Health Savings Account (HSA), or a Health Reimbursement Account (HRA).
- Subject to 1 (one) use per lifetime.
- Terms expire at the end of each calendar year. Program subject to change or discontinuation without notice, including in specific states.
- It is important that you understand that you will be asked to provide personal information that may include your name, address, phone number, email address, and information related to your prescription medication insurance and treatment. This information is necessary to permit Janssen Pharmaceuticals, Inc., the maker of XARELTO®, and companies that work with Janssen Pharmaceuticals, Inc., including our affiliates and our service providers, to fulfill your request to enroll in the Janssen CarePath Trial Offer Program. We may also use the information you give us to learn more about the people who use XARELTO® and to improve the information we provide to people who are being treated with XARELTO®. Janssen Pharmaceuticals, Inc., will not share your information with anyone else except as required by law.
- This program offer may not be combined with any other coupon, discount, prescription savings card, free trial, or other offer. The selling, purchasing, trading, or counterfeiting of this card is prohibited. Offer good only in the United States and Puerto Rico. Void where prohibited, taxed, or otherwise restricted by law.

Janssen CarePath is in no way an extension of medical treatment provided by healthcare professionals to individual patients. You may discontinue your participation at any time by calling 888-XARELTO (888-927-3586).

Please read the accompanying Important Brief Summary for XARELTO®, and discuss any questions you have with your doctor.
